Dallam Policy Statement on Provider Access

Dallam School: Provider Access Policy

Introduction

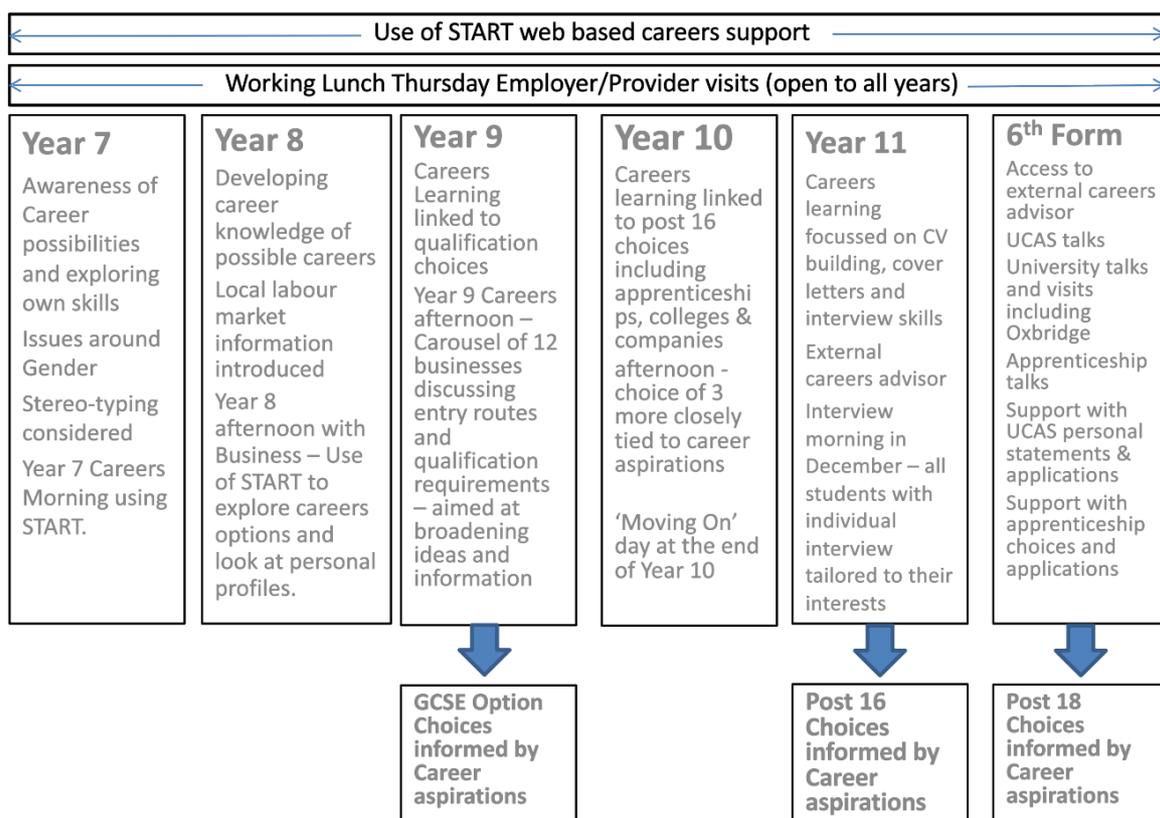

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about a range of providers' education and/or training offers. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 7-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

Careers Advice & Guidance Overview

Management of provider access requests

Procedure

A provider wishing to request access should contact the Careers Leader
Telephone: 015395 65165; Email: enquiries@dallamschool.co.uk

Opportunities for access

A number of events, integrated into the school careers programme, offer providers an opportunity to come into school to speak to pupils and at some points their parents/carers.

Please speak to our Careers Leader to identify the most suitable opportunity for you.

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available Audio Visual and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy or copies of their prospectus or other relevant literature. This will be made available to students. Resources for 6th Form are available in the 6th Form Centre.

Approval and review

This policy statement will be reviewed and approved by the MAT Board on an annual basis.
