

Post-16 Home to School Transport 2025-26

1. Students who reside inside the catchment area

Students who live in Cumbria, except the Kendal, Grange/Lindale area, and live over 3 miles from Dallam School (or on an unsafe walking route) are eligible to apply for free transport organised by Westmorland and Furness Council from Years 7 to 11. The main communities from which free transport is currently provided are:

Arnside, Burton*, Endmoor* Sedgwick, Levens, Stainton, Meathop, Holme, Witherslack

(* You must seek advice from Westmorland and Furness Council re. availability of free transport from these areas).

Westmorland and Furness Council only provide free transport for post-16 students if they have a learning difficulty and/or disability, or for students from low income families. Applications for eligible students should be made through the council website <https://www.westmorlandandfurness.gov.uk/schools-and-education/school-transport>

Post-16 students who do not meet the eligibility criteria can apply to travel as a 'Spare Seats Scheme' passenger as long as there are seats available. We routinely apply for a spare seat for all our sixth form students. However, the number of seats on offer is usually very limited and may be subject to change until as late as October half term each academic year.

The current annual cost of the bus pass is £670.00 per annum. Rates for 2025/26 are yet to be determined. Payment is split into two equal amounts to be paid by:

- Instalment 1 – £224.00 to be paid by the end of September
- Instalment 2 – £223.00 to be paid by the end of October
- Instalment 3 - £223.00 to be paid by the end of November

Financial assistance with the cost of the bus pass is available for eligible students:

- 16-19 Education Travel Bursary Scheme offered by Westmorland & Furness Council
- 16-19 Bursary Fund via Dallam School – details and application form available on the school website
